PRESIDENT GENERAL'S PROJECT

The Digitization of our Membership Applications and Important Records for the future benefit of our society and members.

Please show your support for the President General's Project with your generous donation of \$50 or more.

As an appreciation gift for your generosity, you will receive this beautiful, jeweled brooch pin to show your support for the NHS.

The design of the new Huguenot brooch pin is crowned with a stylized form of the *Fleur de lis*, whose petals symbolize the Holy Trinity. In the center is a Lily and Pearl, symbols of purity, representing our Huguenot ancestors, the choicest Lilies of France, fragrant with purity and devotion to God. Below the Lily is the descending Dove, the symbol of the Holy Spirit. The draped chain, with symbolic gemstones, represents the strength and enduring faith of our ancestors who joined together to escape France. The teardrop Pearl represents the tears of our ancestors, and their ability to overcome hardship and find wisdom through their experiences.

I sincerely hope and pray that you will want to support this very important *Records Digitization Project*.

Thank you,
Robin Towns
